

# Witherenden Flying Club Northiam, E. Sussex

## Airfield Details

51° 00' 16" N, 0° 37' 18" E  
60' AMSL  
a/g 135.475 MHz  
375m x 18m grass (fenced)  
ALL circuits to East of strip

## Conditions for Use

It is a condition precedent that any person entering this land by air, foot or vehicle does so at their own risk and agrees to hold harmless the owner of the field and members of the Witherenden Flying Club for the consequences of any accident howsoever caused.

## Notes

- Strip is bounded by 1.2m high stock fence.
- Noise abatement: departure 02, arrival 20 (ie to/from North)
- Landing and take off normally in opposing direction.
- Beware aircraft backtracking on runway.
- Beware livestock grazing close to fence or crossing strip on bridleway.
- Avoid overflying Northiam, Newenden and local houses.

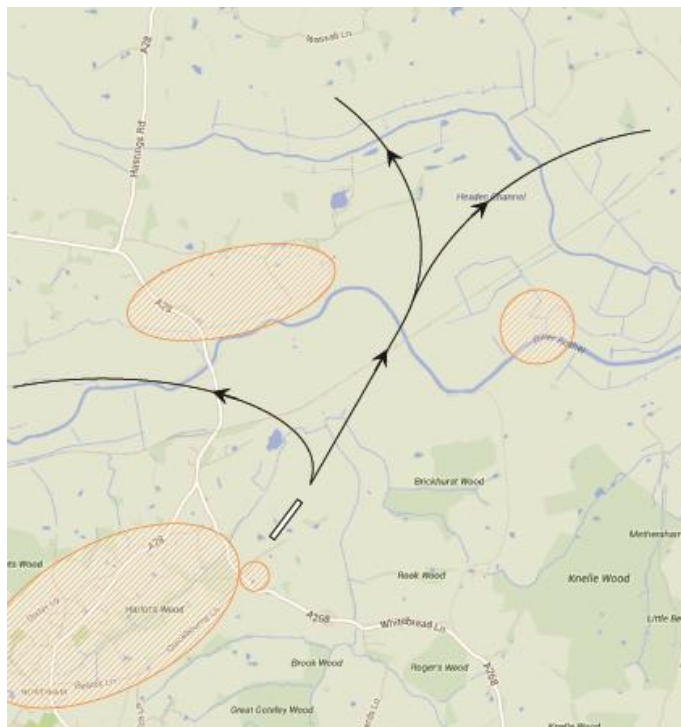

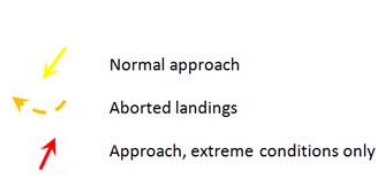

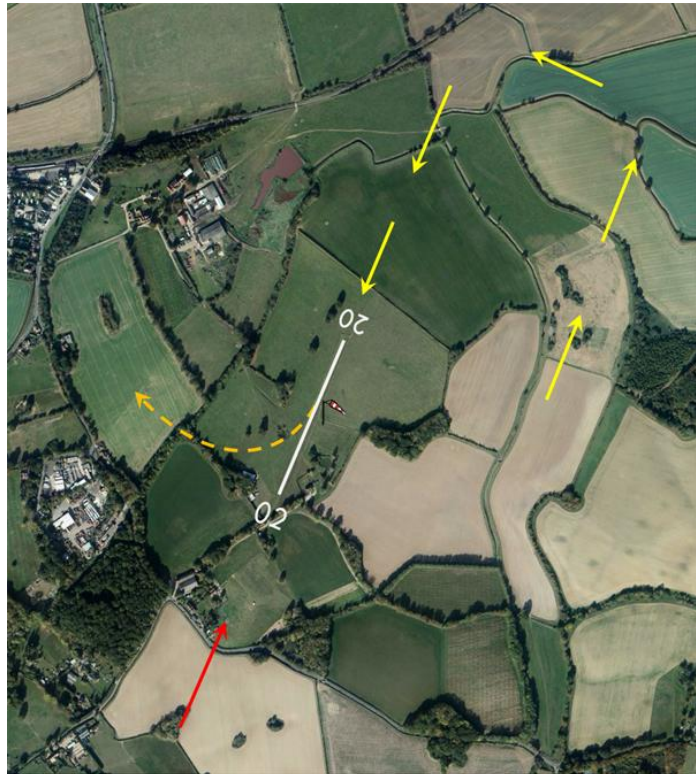

## PPR

ALL visiting aircraft are required to obtain prior permission from one of the following:

Nigel Power 07973 331128

Richard Hearsey 07722 866742
